CALIFORNIA DREAMING

HOME SWEET HOME

*SPRING CLEANING? GIVE YOUR SPACE A FACELIFT
WITH THESE ARTFUL INTERIOR ELEMENTS.*

BY *Alexandra Lee*

1 —

House of Honey “Ortega” Home Fragrance

Inspired by the sensation of driving Ortega Ridge, this fresh interior scent contains base notes of orange, pomelo, basil, and bergamot with top notes of cedarwood and black spruce to bring the aromas of Montecito from the outside in.

2 —

Opame Sana Objects in Polished Brass, Fred Segal Home

Let these abstract polished brass pieces serve as your home’s own miniature art display. In varying geometric shapes and sizes, mix and match materials for a world of graphic possibilities. Available at newly launched and artfully curated Fred Segal Home.

3 —

Coco Republic La Scala Console

Out with the boring side pieces, in with the sculptural details. This walnut console, available at the reimagined HD Buttercup Design Center, has arched legs that are built to last, ensuring an eye-catching design for years to come.

4 —

Barclay Butera *The New Traditional* Book

The accessory your coffee table is missing! In *The New Traditional*, renowned interior designer Barclay Butera delves into the art of combining classic style and historic elements with distinctive textures and bold fabrics.
