WHAT'S HAPPENING NOW  
IN THE SOUTH FLORIDA DESIGN INDUSTRY, ACCORDING TO THE EXPERTS

The market in South Florida is consistently becoming more modern and vibrant. Fort Lauderdale and Boca Raton are growing exponentially towards very contemporary design. Our premium location at the DCOTA and our experienced team of designers has allowed us to partner with some of the most respectful architects and interior designers in the area to successfully develop customized projects from Miami to Palm Beach.

From designer and author, Barclay Butera, an outdoor furniture collection has been created by CASTELLE. The much anticipated collaboration between the award-winning casual furnishings manufacturer and the designer has resulted in the Barclay Butera Outdoor Collection for Castelle, an original design deep seating collection featuring Butera's fresh aesthetic and his signature navy and white color story

MERIDIANI manufactures hand-crafted contemporary furnishings: seating systems, armchairs, tables, chairs, beds that make up a collection deeply rooted in the past but with a vision of the future. The collections of the Italian brand show an intriguing layering of influences, combinations of textiles, materials and finishes giving life to a timeless, international lifestyle. All MERIDIANI products are made in Italy and are now available in Miami in the flagship showroom located in the Wynwood Arts District.
