NEW TO MARKET

Dior Maison's Brazilian Holiday

The iconic style house's fascination with the tropical nation reemerges in a new line of vivid—and beautifully oceanic—tableware. As florid seaweed and fish swirl atop plates and raffia placemats crown as big, brave blooms, one can only surmise Carnival has been extended indefinitely.

Copacabana plates (from \$90) and **placemats** (\$180); 1-800-929-DIOR. More details in Sourcebook, pg. 86.

TABLE SETTING COURTESY OF DIOR.
