ACCENT CHAIRS:
GOOD, BETTER AND BEST OPTIONS

Good Better BEST

"Some of the overall features/elements of our best offerings include layering in exposed wood finishes to the elevated styling and additional customizable elements. Silhouettes include more unique components and features, with a focus on complex curves and angles that add visual interest." -Sandi Mowry, SVP, Sales & Merchandising for HF Custom

Jennifer Taylor Home
BEST: PURLA ACCENT CHAIR

This collection redefines opulence with its luminous pearl paint finish and exquisite design elements. Featuring a hand-carved solid wood frame adorned with intricate geometric and floral motifs, this chair is constructed with contract-grade boucle upholstery. \$1,582

Lexington Home Brands
